

**State/Territory Plan
2022 - 2024**

4.3.1 Provide the base payment rates and percentiles (based on the most recent MRS as identified in 4.2.1)

a. Provide the base payment rates and percentiles based on either the statewide rates or the most populous area of the state (area serving highest number of children accessing CCDF). To facilitate compiling state by state payment rates, provide the full-time weekly base payment rates in the table below. If weekly payment rates are not published, then the Lead Agency will need to calculate its equivalent.

iv. Age of child in what type of licensed child care setting (All rates are full-time) - School-age child (6 years) Center care (Based on full-day, full-year rates that would be paid during the summer):

State/Territory	Base payment rate:	Full-time weekly base payment rate:	If the Lead Agency conducted an MRS, what is the percentile of the base payment rate?	If the Lead Agency used an alternative methodology what percent of the estimated cost of care is the base rate?
